

ANGEL ACHARYA

GRAPHICS, UI/UX DESIGNER

WORK EXPERIENCE

Graphics Designer

Rotaract Club Of Central Siyari

Jan 2020 - Present

Since January 2020, I've been a graphic designer at the Rotaract Club of Central Siyari, where I've contributed to various community projects by designing promotional materials and social media graphics. It's been a rewarding experience blending my passion for design with a commitment to service.

UI/UX Designer

A Cube Creations

Jan 2021 - Present

Since January 2021, I've been serving as a UI/UX designer at A Cube Creations. In this role, I've focused on crafting engaging digital experiences by blending creativity with functionality. Collaborating closely with teams, I translate client visions into user-centric designs, pushing boundaries to deliver exceptional results.

Freelancer

I'm a freelance designer specializing in graphics and UI/UX design. I create captivating visual experiences tailored to each client's vision, delivering impactful results with creativity and flexibility.
